## Placing Sell Orders

*Last Updated 3/16/09*

**Question:** How Can I Give Directions To Sell Securities In My Account?

**Answer:** You may call a Stanford representative at **1-866-964-6301** or **713-964-6300**. The Stanford representative can assist with sale transactions only. The representatives have been directed not to address any other issue.

The third party, independent clearing broker will put the proceeds from any such sales in the brokerage customer's account and the account will be frozen until further notice, unless it is eligible to be transferred. For more information on the transfer of eligible accounts, [click here to view FAQs on Procedures for Transfer of Certain Customer Brokerage Accounts](#).

International customers may call +713-964-6300.
